Assembly Instruction

STEP 1

Be sure to put a protective layer on the ground before assembly to protect table top from scratching. Attach the modesty panel(2) to the frame(A) with screws(F*2pcs), and then the beam(B) with screws(E*1 pc) and wrench(G) on one side as below picture shows.

STEP 2

Attach the other frame(A) to the modesty panel and beam on the other side as below picture shows.
